

Hopes for our Time Together
(Needs)

- Curriculum tie-ins with school district standards
- Ideas and advice for “what happens after the garden is put in?” (curriculum, maintenance, gardening help, parent/volunteer structure, navigating teacher involvement etc.)
- Funds for resources
- Systems for watering...
- How to get rid of English Ivy
- Dealing with, and preventing, vandalism
- Trouble-shooting the school district to school relationship
- A curriculum library
- Ideas for facilitating kindergarten classes in the garden
- How to build a successful, sustainable program
- How to maintain liaisons and keep energy high
- How to organize successful garden clubs
- How to utilize master gardeners
- Fitting garden lessons into the WASLs and EALRs
- Best practices for involving students in the planning process
- How to donate to the Food Bank
- Summer maintenance plans that work
